WHO SHOULD ATTEND

- Newly elected / hired town officials
- Selectmen
- Town managers
- Road commissioners/foremen
- Anyone involved with local road work

If you need to understand the general principles of building and maintaining local roads, this workshop can provide you with an excellent foundation for the upkeep of local roads.

For “newcomers” to the local road business, this workshop will be especially helpful. For “experienced” local road officials, this workshop will undoubtedly provide a better understanding of some topics or refresh your understanding of other topics.

If you are working on becoming a Maine **“ROADS SCHOLAR”**, this is one of the **REQUIRED** courses.

WHAT WILL BE COVERED

These subjects will be covered in a general sense with not a lot of details.

- Road Classification
- 10 Commandments of a Good Road
- Drainage (Surface & Subsurface)
- Culverts/Bridges
- Ditching
- Gravel
- Asphalt Pavement
- Traffic Issues
- Legal Issues
- Roadway Management
- Snow & Ice Control
- Bridge Maintenance Issues
- Resources/Assistance
