

# WE NEED YOUR HELP!

School Oral Health Program

ADOPT A  
SCHOOL!

## BE YOUR SCHOOL'S ORAL HEALTH CHAMPION!

The Maine CDC School Oral Health Program is seeking partners to provide students with basic oral health screenings and fluoride varnish applications. We offer **free online training** and support!

### We are seeking...

Dental Hygienists and Registered Nurses (including School Nurses) with a strong desire to serve their community and an interest in learning more about public health!

### What to expect:

- Flexible scheduling
- Adjustable workload
- Student-focused
- School-based work environment
