**Black Bark Mulch— Available in Bags & Bulk!**

A mixture of aged Softwood **Bark** and Softwood Grindings tinted with our black, environmentally safe colorant. This triple ground, fine textured mulch provides a striking contrast to brightly colored flowers and gardens.

**Brick Red Mulch Blend**

An economical mix of Softwood **Bark** and Softwood Grindings dyed to an attractive red color. A cost effective alternative to Red Cedar Mulch.

**Brown Cedar Mulch Blend**

A mix of Cedar **Bark** and Softwood Grindings dyed with our Brown, environmentally safe colorant. This product smells great and looks great, all while being an economical choice.

**Certified Playground Chips- Available in Bags & Bulk!**

Long a provider of premium Certified Playground Chips. P.R. Russell offers premium wood chip products to the standard you deserve and expect, certified for ASTM 1292, ASTM 2075 & ASTM 1951.

**Dark Pine Spruce Bark Mulch- Available in Bags & Bulk!**

A blend of Pine, Spruce & Fir **Bark** that is aged to a rich, dark brown. It's our most popular all-natural mulch. With the wonderful spruce scent which compliments any garden or landscape.

**Hemlock Bark Mulch- Available in Bags & Bulk!**

The finely textured Hemlock **Bark** Mulch we manufacture is one of our most distinctive products. With it's signature red-orange color, this beautiful mulch is especially striking against an evergreen background. *\*Color Enhanced for consistency*

**Natural Cedar Bark Mulch- Available in Bags & Bulk!**

Not only aromatic, but long-lasting due to the high mineral content that reduces decomposition. No colorant is added so you can be sure that you are creating the most natural look for all your landscaping projects.

**Natural Pine Spruce Bark Mulch- Available in Bags & Bulk!**

Mix of lighter colored Pine, Spruce & Fir **Bark**, ground to an attractive, fine-medium texture. It provides a striking contrast with deep green foliage and produces a pleasant, fresh evergreen scent.

**Naturally Aged Hemlock Bark Mulch- Available in Bags & Bulk!**

A finely ground Hemlock **Bark** mulch product that is **Aged** to a deep, rich burgundy color. Made from the finest hemlock bark, this seasoned mulch brings beautiful contrast to every garden or walkway.

**New England Blend Mulch**

Color-enhanced value mulch made with a mixture of **Bark** and Softwood Grindings. Our environmentally safe coloration process ensures rich, long lasting color with the appearance of Hemlock at a fraction of the cost.

**Premium Blend Mulch**

A mix of Hemlock, Pine, Spruce & Fir **Bark** with a delightful pine scent. This mulch is color-enhanced to give it the look of Hemlock and processed to a fine texture, making it a popular, cost-effective alternative.

**Red Cedar Bark Mulch- Available in Bags & Bulk!**

Made of Cedar **Bark** finely ground and tinted with our environmentally safe colorant with a rich smell of cedar and a bright red color. The perfect choice to make a bold statement!

## **TERMS & CONDITIONS:**

Pricing is subject to change with written notice. We reserve the right to charge a fuel surcharge on all delivery charges based on the current regional fuel rates without notice.

Balances over 30 days are subject to 1.5% Finance Charge (18% annual APR). It is understood that customers are responsible for all additional costs incurred if the account is placed with a collection agency or requires legal services. A fee of \$35.00 will be charged for all checks returned for non-sufficient funds.

**\*\*Prices quoted reflect a 1.5% discount for Cash or Check payments; Credit Card payments will not receive discount\*\***

### **Bulk Deliveries:**

Delivered Pricing is based on Full Loads. Full Loads are based on maximum legal weight that can be shipped and will vary in yardage. Split Loads & Less Than Truckload (LTL) pricing is calculated by FOB Product Cost + Flat Rate Delivery Cost. Please call for the exact cost if you are not ordering a full load. An LTL Fee of \$100 will be charged for each additional delivery location. A \$100 per hour Wait Fee will be applied if trucks are not unloaded upon arrival at the delivery location.

### **Flatbed Truck Deliveries (Bagged Products):**

Full Truck Load= 18-20 pallets per load depending on product weight.

Half Truck Load= 9 Pallet Minimum on all Flatbed Loads. Less Than Truckload (LTL) will be charged a \$100 LTL Fee. LTLs are subject to a delivery match; if we cannot find a suitable match an additional delivery fee will apply.

Pallets on the back of bulk loads will receive an upcharge of \$15 per pallet for additional loading & unloading time.

A \$100 per hour Wait Fee will be applied if trucks are not unloaded upon arrival at the delivery location. *Trucks do not carry pallet jacks. Please be sure to have the equipment and manpower to unload your order in a timely fashion. Pallet weights can be more than 3,000 lbs. per pallet.*

### **Aging Mulch Memo:**

It is important to note that during the natural process of aging, aged mulch products will heat up which can create temporary acidic areas in the pile. Applying "hot mulches" during this process can result in burned plants and grasses. Mulch should be applied at least 2" from grass areas and plant stalks. P.R. Russell does not take responsibility for damage resulting from applying "hot mulch".

### **Tax Exempt Status:**

Quoted prices do not include Sales Tax. Tax Exempt certificates must be submitted to P.R. Russell before placing an order. If we do not have a tax-exempt certificate on file, you will be charged the appropriate Sales Tax.
