## 2025 National Nonpoint Source Training Workshop

We are pleased to announce the 2025 National Nonpoint Source (NPS) Training Workshop, which will take place from **October 27 - 30, 2025** at the **Hilton Capitol Center in Baton Rouge, Louisiana.**

The event fosters coordination among NPS program practitioners and partners involved with activities under Section 319 of the Clean Water Act. The workshop will provide technical training on NPS project implementation and best management practices, emerging tools, and strategies for NPS community engagement. Workshop participants will include state, federal, Tribal, Nation and territorial NPS coordinators as well as invited watershed and non-profit organizations.

For questions about previous workshop agendas, speakers, topics, and content, please contact [nps@neiwpcc.org](mailto:nps@neiwpcc.org).
