

MAINE LAKE MONITORING SUMMIT

Location: 90 Blossom Lane, Augusta, ME

Date: Thursday, April 16th, 2026

Time: 9:00 AM – 3:30 PM

2026

Meet with colleagues to discuss current trends, questions, and opportunities in lake monitoring at the 2026 Maine Lake Monitoring Summit. If you have a project, innovative monitoring technique, or unique analysis you'd like to share, we'd love to hear about it in a 10-minute 'Lightning Talk.' **Send your abstract to [Jeremy Deeds](#) by March 13th** to be considered for the 2026 agenda.

[Registration is free](#) – Please sign up at the link and feel free to contribute to the potluck lunch. If this announcement has been shared with you, please send Jeremy your email address so that you may be added to our mailing list.
